bingo
[ˈbiŋɡō]
NOUN

a game in which players mark off numbers on cards as the numbers are drawn randomly by a caller, the winner being the first person to mark off five numbers in a row or another required pattern.

Game Objective:

The object of the game is to visit one or more booths at the 2020 PAA Supplier Showcase as it relates to the BINGO boxes on each BINGO card. Each BINGO card will list a number of suppliers and have been created randomly. Multiple BINGO cards have been produced. The Supplier Showcase attendee must fill one or more cards and submit with the BINGO to PAA at info@paahq.com. You must download the PAA APP to have access to the game cards or email info@paahq.com to get the official game board. The BINGO card must have all squares filled in with an X or stamp of your choice. PAA will review the attendee list per booth to assure that the booth has been visited by the reported attendee and submitted game board.

This is not a team game and must be played individually.

Go to <https://homebase.map-dynamics.com/paa2020?> to enter the Supplier Showcase-Digital Trade Show and to start playing the game and enter to win.

The game will begin on August 5th at noon and terminate on September 3rd, 2020 at midnight.

It is encouraged that all game board squares be completed with no BLANK squares. All game boards will be accepted regardless of completion and entered to win the grand prize of an Apple Watch. All completed BINGO cards will be entered into a drawing and the winner will be selected randomly.

You must be a property management professional to take part in the game and create and register an account on the PAA APP.

All completed BINGO cards will be emailed to info@paahq.com by September 4th at midnight to officially enter to win.

PAA team members are the official judge for the game and all winner decisions are final. No purchase is needed to take part in the PAA game.
